

Suggested Use: As a dietary supplement, take 1 to 2 servings daily with water approximately 30 minutes prior to meals and/or exercise.

Warning: Consult with a healthcare practitioner prior to use if you have any pre-existing medical conditions, including high blood pressure, heart or thyroid problems, nervous disorders, diabetes, or are taking any prescription drug. Consult your physician if you are taking any over the counter medications or have a medical condition. Seek the advice of a health-care professional before beginning any supplement or exercise program. This product contains caffeine. Do not use if pregnant, nursing or contemplating pregnancy.
